(Com. vs. [REDACTED], et als - [REDACTED])  
Attached is a copy of the motion I received from the defense counsel in the above matters. I previously sent a request for the file, but after speaking with Rebecca, it appears that there are more documents which you may have in order to "satisfy" the attached requests. I hope to provide only as much as I have to, but it seems that most of the items requested are unduly burdensome. I will be objecting to the request, but I should be prepared to provide something in response. Thank you for assisting me in this matter.
